ORDER

Before the court is defendant Reinforcing Ironworkers Union Local 416's ("Local 416's") seventh motion in limine (#123¹).

The present motion in limine is redundant and untimely. The motion asks the court to exclude evidence of a hostile work environment and evidence of discriminatory conduct. Yet the court has denied the prayed-for exclusions already. (*See* Minutes of Proceedings #112; Order #117.) Moreover, the motion is untimely, coming less than thirty days prior to trial. *See* Local Rule 16-3.
